NICOR LIGHTING CONTROL

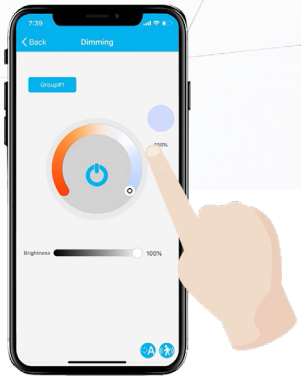
3 Levels of Lighting Control

Single Luminaire

Room

Building

Lighting controls can be overwhelming and expensive, but NICOR Lighting Controls (NLC) bring a range of affordable and flexible, wireless controls to a single room or an entire building. Simply choose your favorite NICOR controls compatible luminaire and controls package.



NICOR NLC Offers:

- 40-60%* Energy Savings
- Daylight Harvesting
- Occupancy/Vacancy
- High-End Trim
- Bluetooth Wireless Luminaire Level Lighting Control
- Scheduling, Zoning, and Scene Control
- Easy App Start-up and Control

*Based on studies performed by NW Energy Efficiency Alliance and the DLC
