MAPLEWOOD 52-IN. LED CEILING FAN MATTE WHITE

Frosted White Acrylic

Contemporary

Product Description:

The Maplewood 52-inch LED ceiling fan features a clean matte white finish with light maple finish blades and a frosted white acrylic shade for a bright and modern appearance. A sleek rounded motor housing and ABS blades enhance durability while contributing to a high-end visual presence. The integrated lighting system includes a stepless dimmable 26-watt LED producing up to 1600 lumens, along with RGBIC accent lighting and fully adjustable color temperature from 2700K to 5000K. A whisper quiet, energy efficient DC motor delivers powerful airflow with six speeds and reversible operation for year round comfort.
