## Arize Element® L1000

HORT179

### Enabling efficient growth at an industrial scale

The Arize Element is a family of super-efficient, robust, and reliable LED professional horticultural lighting fixtures for greenhouses and indoor farms. Available in a wide range of power and spectral options, the Element offers scalable solutions for maximum productivity and efficiency across a wide range of horticultural applications.

### Optical System

**Typical Photon Flux:** 1,750-2,200  $\mu\text{mol/s}$

**Light Distribution:** XW Optic

**Efficacy Range:** 2.6 to 3.6  $\mu\text{mol/s}$

**Spectrums:** PKR, PKB, PKT, PKF, PPR, PPB, BRI, BRV

### Electrical

**Dimming Range:** 0-10V

**Max Source Current:** 450 $\mu\text{A}$

**Dim-to-Off<sup>3</sup>:** Yes

**Dim Off Voltage:** 0.35-0.65 V (typ. 0.5 V)

**Dim On Voltage:** 0.55-0.85 V (typ. 0.7 V)

**Dimming Output Range:** 10%-100%

**Power Factor:** >0.99<sup>4</sup>

**THD:** <10%<sup>5</sup>

**Max. Remote Mount Distance:** 18 ft (5.49 m)

**Cooling:** Passive

**IP Rating:** IP66

Use with sink dimmers only

<sup>3</sup> Refer to installation guide for dimming functionality details

<sup>4</sup> Tested at minimum input voltage <sup>5</sup> Tested at full intensity

<sup>6</sup> Tested at 40°C per TM-21

### Ambient Temperature

TYPE	TEMPERATURE RATING
OPERATING TEMPERATURE	0°C to 40°C (32°F to 104°F)

### Rated Lifetime

L90: >50,000 hours<sup>6</sup>

### Certifications & Warranty

- Five-year system warranty
- cULus E492907, CE, UKCA

## Photometric Data

### Type R

High red light to optimize plant growth and photosynthesis

### Type B

Light that supports biomass and secondary metabolite production

### Type F

Encourages a stretching and expansion response for more robust growth

### Type BR

Increased blue ratio boosts secondary metabolite production to promote crop quality and phytochemical profile

### Type T

Increased blue and green ratios boost secondary metabolite production to promote crop quality and phytochemical profile

## Product Dimensions

### DIMENSIONS AND WEIGHT

	LENGTH	WIDTH	HEIGHT	WEIGHT
L1000 Fixture	29.31" 745 mm	7.00" 178 mm	2.93" 75 mm	9.0 lbs 4.1 kg
Power Supply	13.12" 333 mm	1.81" 46 mm	5.94" 151 mm	7.0 lbs 3.2 kg

## Why Element?

### 1. Purpose-Built

A heat sink that doesn't accumulate debris and LEDs protected by a lens are just two of the ways we designed reliability into the L1000. We've also designed all-new mounting brackets, further simplifying installation

### 2. Maximum Capability

We've simplified our language: broad white, broad pink and dual-band purple, all with high- and low-blue variants maximize year-round production for both sole-source and supplemental applications

### 3. Less Input. More Output

LED is more accessible than ever: Our XW optic reduces the number of fixtures required (more on that below), while efficacy levels surpassing 3.6  $\mu\text{mol}/\text{J}$  enable direct replacement of 1000W HPS fixtures, reducing energy costs by over 40%. Did we mention no relamping?

## Enabling efficient growth at an industrial scale

### Sustainable

Efficacy levels surpassing 3.6  $\mu\text{mol}/\text{J}$  make the Element one of the most efficient grow lights in its class, lowering operating expenses

### Precise

Our XW Optic efficiently spreads light, reducing the number of fixtures by an average of 10 to 15% without sacrificing uniformity or crop quality

## XW Optic

Compared to the previous generation's Lambertian distribution, our new XW Optic precisely controls light dispersion, resulting in wider coverage in low headspace applications. It further reduces the number of fixtures by 10 to 15%, without sacrificing uniformity or crop quality, lowering capital investment.

### Lambertian Distribution

### XW Optic

### Complete

Four application-specific models and eight spectrums ranging from dual-band purple to broad white ensure there is an Element for every farm

### Assembled in the USA

Tried and true manufacturing, a standard five-year warranty and a >50,000 hour lifetime ensure consistent, predictable yields for years to come
