RCQ

Square Recessed LED Downlight

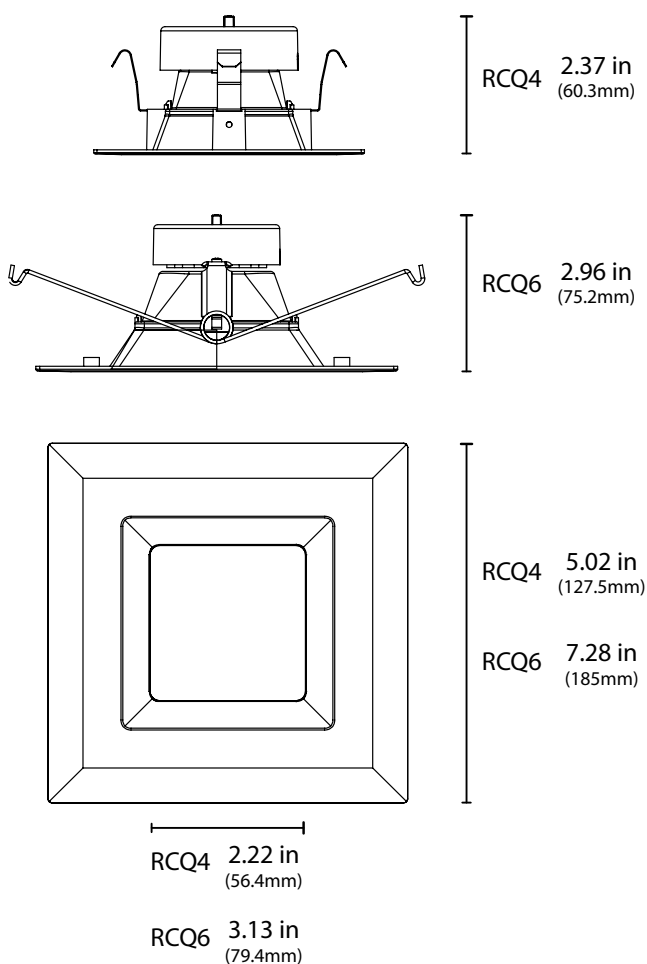

RCQ

Square Recessed LED Downlight

The RCQ Square Recessed LED Downlight Series provides an economical and practical solution for transitioning from traditional lighting to a durable, energy-efficient LED system. This improved design delivers incredible color accuracy with 90+ CRI and an R9 >50 for true color rendering in any setting. The RCQ is available in both 4" and 6" sizes and fits most recessed housings for a seamless retrofit installation in both indoor and outdoor applications. It's perfect for residential, commercial, and retail applications that require something a bit different from ordinary downlights. The RCQ delivers exceptional functionality while enhancing the aesthetic appeal of any space.

Dimensions

FEATURES

Integrated Driver

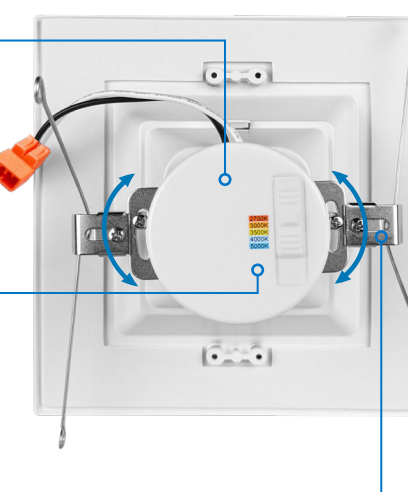

Low profile integrated driver allows the use of shallow housings.

Effortless Installation

Quick and easy installation with quick connector

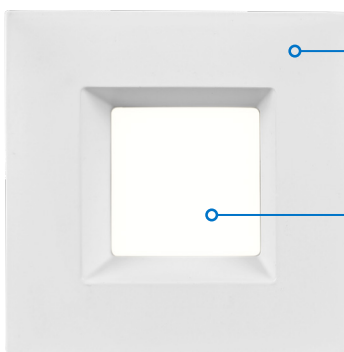

Selectable CCTs

Easily change the color temperature from warm white (2700K) to daylight (5000K) or any setting in-between, with 3000K as default.

Perfect Alignment Made Easy

6" adjustable bracket ensures seamless square retrofit alignment with walls.

Durable Construction

Rust-free die cast flange ensures lasting, corrosion-resistant performance for indoor & outdoor use.

Polystyrene Diffuser

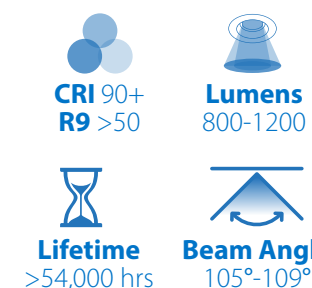

Polystyrene diffuser delivers even light & reduces glare without losing brightness.
