TASTING NOTES

Beautifully complex, the nose is signed by Pinot Noir, notes of juicy and fresh fruit, with the cold identity of this north facing vineyard. Some notes of iron and golden tobacco complete this wine and trace this northern terroir of the Grande Montagne de Reims. The palate is aerial, the Pinot Noir expresses itself with elegance and maturity. The power is well moderated, and the style is assured. Very impressive length for this 2014 which underlines the outstanding prestige of the place and the vintage.
