

DOMAINE LEFLAIVE

PULIGNY-MONTRACHET
DEPUIS 1717

2024 BIENVENUES BÂTARD-MONTRACHET GRAND CRU

WINERY

The roots of the Leflaive family go back to 1717 when Claude Leflaive took up residence in Puligny-Montrachet, intent upon cultivating several acres of vineyards. The domaine, in its present form, was created by Joseph Leflaive between the years of 1910-1930, as a result of his successive purchases of vineyards and houses.

WINE

Entirely located in the town of Puligny, this Grand Cru was first mentioned back in 1397 when the abbey of Maizière purchased some of it. Old records mentioned that this plot might have been planted with gamay and pinot noir a few hundred years ago. When Dr. Lavalley published his classification of Bourgogne back in 1855, the climat was already planted to Chardonnay.

VINEYARDS

Bienvenues Bâtard-Montrachet – 1 parcel in Bienvenues Bâtard-Montrachet. 1 single plot in which the row runs from top to bottom (west to east), 1ha 15a (2.84 acres) of the appellation. Planted in 1958 and 1959.

VINTAGE NOTES

Working with nature means accepting its challenges, and 2024 proved demanding. Rainfall from January to October was one and a half times the usual, and more than double the precipitation of the previous two years combined. A mild winter gave way to a cool, damp spring with minor hail and difficult flowering, leading to reduced fruit set and pressure from downy mildew. Summer remained mild, and slow ripening continued through a cool, stormy September. Harvest began in September, with yields about half of 2023, but the remaining grapes for Domaine Leflaive show excellent health and promise freshness, precision, and balance.

WINEMAKING

Long, gentle pneumatic pressing, decanting over 24 hours, then racking and running into cask of the must. Alcoholic fermentation in oak casks, 25% new (maximum 1/2 Vosges, minimum 1/2 Allier). After 12 months in cask, the wine is aged 6 months in tank where it is prepared for bottling. Fining and very light filtering if necessary.
