

Healthcare Solutions from Atkore

At Atkore, we bring electrical systems to life through a comprehensive portfolio of high-quality wire and cable management solutions which are designed to deploy, isolate and protect a healthcare facility's entire campus.

A Outside/Exterior

Reliable exterior infrastructure solutions built to withstand harsh environments and protect critical healthcare systems.

- Universal Super Fittings
- Flexible Liquidtight Conduit
- Liquidtight Fittings
- Stainless Steel Conduit
- Aluminum Conduit
- PVC Coated Conduit
- Fiberglass Conduit
- Cable Tray

B Mission Critical Server Rooms

Reliable infrastructure solutions help protect vital data, power, and communication systems where downtime is not an option.

- Wire Basket Tray
- Cii UNDERFLOOR Power Distribution Units (PDU)

C Patient Care

Solutions designed to support essential electrical systems in critical patient care environments.

- Healthcare Facility (HCF) MC Cable
- MC/AC Cable and Cable Fittings
- Color Conduit

D Imaging Rooms

Specialized non-ferrous solutions support the unique requirements of imaging environments.

- Aluminum Conduit
- Aluminum Cable Tray
- Fiberglass Cable Tray
- Stainless Steel Cable Tray
- Aluminum Strut
- Fiberglass Strut
- Stainless Steel Strut

E Life-Safety and Emergency Systems

Code-compliant solutions help protect critical circuits during emergency events.

- Fiberglass Conduit
- MC Glide Fire Alarm Cable
- Red Steel EMT

F Electrical Infrastructure

Efficient solutions help speed installation while enhancing campus safety.

- PVC Conduit
- PVC Fittings
- Flexible Liquidtight Conduit
- Strut
- Strut Fittings
- Cable Tray

G Dietary Service

Corrosion-resistant solutions built for demanding kitchen and cafeteria environments.

- Stainless Steel Conduit
- IMC Conduit
- EMT Conduit
- Flexible Liquidtight Conduit
- Wire Basket Tray
- Stainless steel Strut
- BriteRail Sanitary Strut
- FlatRail Sanitary Strut
- Stainless Steel Fittings

Healthcare Solutions Matrix

	Outside / Exterior	Mission Critical Server Rooms	Patient Care	Imaging Rooms	Life-Safety & Emergency Systems	Electrical Infrastructure	Dietary Service
