

DLQ5

5" Square LED Downlight | New Construction

The DLQ5 Square Series is a modern architectural solution for lighting commercial, retail, and institutional spaces in the new construction market where high efficiency, low energy lighting is desired. Utilizing high efficiency LED technology to balance color for natural white light and offering greater than 90 CRI, the high efficacy and exceptional color rendering make this luminaire an ideal choice for corridors, conference rooms, lobbies, and large offices. Constructed with a durable galvanized steel frame and adjustable hanger bars, the DLQ5 Series fits securely and installs easily into most any space.

FEATURES

- Utilizes high performing LEDs with greater than 90 CRI and an R9 greater than 50
- Dimmable to 10% with most standard dimmers
- IC Rated
- Operating temperature rating of 0°F to 120°F (-18°C – 49°C)
- Input voltage of 120V
- Durable galvanized steel frame, with adjustable hanger bars to fit securely into most spaces
- Bars can be repositioned 90° on plaster frame without tools
- Four double-headed captive nails provide for ease of installation
- Polystyrene diffuser and reflector cone create a uniform light distribution that reduces glare without sacrificing lumen output
- TM-21 Projected L70(6K) life greater than 46,000 hrs
- LM-79, LM-80 testing performed in accordance with IESNA standards
- Quick and easy installation with torsion spring mounting system
- 5 year warranty
