FEATURES & BENEFITS

- Bowls and trays made from cast aluminum provide an elevated but durable serving experience
- Use in refrigerated displays or under heat lamps to serve warm or cold foods
- Dark color with speckles creates versatile yet beautiful buffet and tabletop presentations
- Features PTFE Teflon non-stick coating that makes cleanup easy
- Durable cast aluminum is perfect for high-volume environments like hospitality and catering
- Handwashing with gentle dish detergents is recommended to prolong service life of non-stick coating
- Avoid cutting directly on the surface or using metal serving utensils to prevent damage to the non-stick coating
- All APS® Germany products in Libbey's selection are backed with confidence through no-hassle replacements
