

DOMAINE LEFLAIVE

PULIGNY-MONTRACHET
DEPUIS 1717

2024 PULIGNY-MONTRACHET PREMIER CRU CLAVOILLON

WINERY

The roots of the Leflaive family go back to 1717 when Claude Leflaive took up residence in Puligny-Montrachet, intent upon cultivating several acres of vineyards. The domaine, in its present form, was created by Joseph Leflaive between the years of 1910-1930, as a result of his successive purchases of vineyards and houses.

WINE

With ownership of over 85% of the climat and only one other family vinifying the Premier Cru Clavoillon, Domaine Leflaive controls the destiny of the name. Situated just north of Les Pucelles, this wine could have had a better fate if the vineyard wasn't planted to Pinot Noir for hundreds of years before phylloxera impacted the region. It is only in the early 20th century that it was replanted, and this time with Chardonnay.

VINEYARDS

Clavoillon – 1 parcel in Puligny-Montrachet, 4ha 79a (11.84 acres). Domaine Leflaive owns more than 85% of this Premier Cru Planted in 1959, 1960, 1962, 1972, 1973, 1981, 1983 and 1988.

VINTAGE NOTES

Working with nature means accepting its challenges, and 2024 proved demanding. Rainfall from January to October was one and a half times the usual, and more than double the precipitation of the previous two years combined. A mild winter gave way to a cool, damp spring with minor hail and difficult flowering, leading to reduced fruit set and pressure from downy mildew. Summer remained mild, and slow ripening continued through a cool, stormy September. Harvest began in September, with yields about half of 2023, but the remaining grapes for Domaine Leflaive show excellent health and promise freshness, precision, and balance.

WINEMAKING

Long, gentle pneumatic pressing, decanting over 24 hours, then racking and running into cask of the must. Alcoholic fermentation in oak casks, 22% new (maximum 1/2 Vosges, minimum 1/2 Allier). After 12 months in cask, the wine is aged 6 months in tank where it is prepared for bottling. Fining and very light filtering if necessary.
