

50102

12" Outdoor Up/Down Wall-Mount

Product Description

The 50102 Series Decorative Outdoor Up/Down Wall-Mount is constructed from die-cast aluminum with a weather-resistant finish. The architectural design is perfect for the most demanding exterior styles, ranging from traditional to modern applications. The 50102 Series cylinder light features an up and down light, perfect for entrances, courtyards, decks, columns, and porches of all styles. The commercial grade quality also makes this light suitable for office buildings, schools, stairways, and other complexes. Choose between bronze, black, or white powder coated finishes.
