

Orotelli

Outdoor Ceiling Fan

Product Description

The Orotelli (MFO) is an outdoor ceiling fan designed for wet locations and is perfect for outdoor porch areas. This fan boasts a silent AC motor with three adjustable speeds and a reversible feature for year-round comfort, effortlessly switching between downdraft mode for cooling in the summer and updraft mode for warmth during the winter. Its versatile mounting system accommodates standard and angled installations, while the blades are expertly crafted from durable ABS plastic with a waterproofing coating. The fan operates at a standard 120 VAC input voltage and offers without-light kit and light kit options in CCT Select. For convenient control, the fan includes a standard remote control and optional wall switch controls. Elevate your home with this ceiling fan, blending practicality and style seamlessly.

Fan Motor

- A variable 3-speed reversible motor
- AC Motor | 153 x 18mm motor | 3 Capacitor
- Motor Wattage: 56W
- 52 in Lead Wire | 4.5 in down rod included

Blades

- ABS plastic with waterproof coating
- 54" sweep

Electrical

- Input voltage 120VAC

Light Kit

- Available with or without integrated LED light kit.
- CCT Selectable

Controls

- Standard remote control and optional wall switch controls.

Listings

- UL listed for Wet Location

Warranty

- Fan Motor: Lifetime Warranty
- Light Kit: 1 Year Limited Warranty
- Lamps: 1 Year Limited Warranty
- Warranty does not cover product failure due to an overvoltage event (power surge.) For installations where power surge may be possible, NICOR recommends installing additional surge protection at the electrical distribution panel
