

Cellular Core Pipe Print Line Color Change

 **Atkore** | Heritage Plastics 4" IPS SCH40 ASTM F891-23 COEXTRUDE CELLULAR CORE PVC DWV P

Please be advised that Atkore's PVC Cellular Core Pipe print line color changed from red to green ink the week of 4/29. Limited stock with red print line remains, which means you may receive pipe with a red print line for a short period of time. All Cellular Core Pipe produced after 4/29 will have a green print line.
