

HEAT-BOND SEAMING IRON 110400

SIMPLE

Indicator light turns from red to green when at desired temperature

EASE

Up-front thermostat control for easy heat-setting adjustments

PRECISE

Low profile, tapered base plate design for joining carpet easily at the back of iron

PROTECT

Stainless steel holder prevents damage from hot iron resting on carpet or glue dripping after use with hot-melt tapes

SAFE

Special contoured handle stays cool

CLEAN

Grooved non-stick sole plate for easy clean up

TENACIOUS

Grooved sole plate creates ridges in the adhesive, ensuring a strong bond to the carpet backing

Streamlined and low-profile, Capitol® Heat-Bond Seaming Iron provides even heat distribution for thorough melting and easier carpet seaming. The adjustable thermostat and heat shield provide ideal heat for adhering Hot-Melt Carpet Tape, while protecting carpet from high temperatures.
