49957-12		12	Thinset or medium bed mortar application of natural stone, quarry tile, pavers, saltillo and ceramic tiles 12" x 12" or larger

RECOMMENDED FOR ALL LARGE-FORMAT TILE INSTALLATIONS PER THE NTC A REFERENCE MANUAL

The QEP® Slant Notch Cork Handle XL Stainless Steel Trowel has been manufactured to the highest standard with a professional installer in mind. The slanted notches deliver superior thinset transfer by reducing voids for stronger tile adhesion. Ideal for large format tiles. This premium-grade trowel has a unique cork comfort grip handle engineered for a better cushion, anti-slip grip. Features a tempered stainless-steel blade for an extended life and a heavy-duty aluminum shank.

**25% longer blade life, Proven by 3rd party independent testing.*

Professional Tools. Professional Results.
