Diffused lens reduces glare. Optional aisle and wide distribution lenses available

NICOR'S NEW ULTRA-EFFICIENT, HIGH PERFORMANCE HIGH BAY

NICOR introduces the newest high bay product line: the patent pending, ultra-efficient, high performance HML2 high bay. With only a 12.6"x23" footprint its compact design offers an impressive light output with simple, single-person installation. The DLC 5.1 Premium certified fixture offers selectable wattage (320W/270W/220W), sensor, and aisle distribution options. It's durable single-piece cast aluminum design is perfect for rugged applications like warehouses, gymnasiums, and other industrial or commercial spaces.
