À NUITS-SAINT-GEORGES  
DEPUIS 1825

## 2023 GEVREY-CHAMBERTIN PREMIER CRU “CLOS DES ISSARTS” MONOPOLE

### WINERY

Wine runs deep in the Faiveley family's blood, as they have been deeply rooted in Bourgogne, its history, and its culture for almost two centuries now. Their values have remained unchanged over the last seven generations and are based on a deep attachment to the Bourgogne region, an instinctive passion for the terroirs, and an innate respect for man and his work. Today they are one of the largest owners in Burgundy, with holdings spreading from the Côte de Nuits to the Côte Chalonnaise, featuring polished, collectible reds and whites with exceptionally high ratings.

### WINE

In the 9th century, Charlemagne owned vines in the Côte d'Or. He requested that the best lands be cleared out and this parcel was constructed in the forest. Situated in the southwest of the village, this monopole climat was purchased by the domaine in 2003 following a 50-year leasing agreement. It is the smallest appellation in Bourgogne even smaller than Romanée-Conti Grand Cru.

### VINEYARDS

Plot: 0.61 ha

### VINTAGE NOTES

Winter 2023 was mild and dry, with no rain for five weeks from late January to early March. Rain returned in March, followed by heavy downpours in April and May. To guard against frost, the team pruned in two stages, in January and late March. Frosts on March 27 and April 3 had little impact due to the dry cold, though a few early parcels in

the Côte Chalonnaise were affected. Budburst was slightly delayed, with Chardonnay around April 12 and Pinot Noir around April 20. Warm weather in early June led to rapid flowering and abundant fruit. Green harvesting in July reduced yields by about 30% in the Côte de Nuits. Minor hailstorms in mid-July caused limited damage. August's varied temperatures aided ripening. Harvest occurred during a heatwave, yielding healthy, aromatic grapes. This was the estate's second fully organic season, with certification expected in 2025.

### WINEMAKING

The wines are punched down daily in order to extract color, tannins and aromas from the skin of the grapes. After a 19 day vatting period, the alcoholic fermentation is complete. The free-run wine is run off using a gravity system whilst the marc is pressed slowly and gently in order to extract an exceptionally pure press wine.

### TASTING NOTES

Deep ruby red in color with notes of ripe fruits, oak and touch of licorice on the nose. The palate offers silky smooth tannins, an elegant mouthfeel, good balance and excellent length.
