### OPTIMALLY SIZED

5" head is optimally sized to work with most seam tapes

### NON-MARRING

Recessed hardware so it doesn't damage the walls

US Patent No. D-1,082,193

Capitol® Smooth Wheel Cut Pile Seam Roller is designed for seaming cut pile carpets, and ideal for seaming Saxony carpets as well as vinyl flooring. The soft nylon head of this roller smooths carpet without fraying yarn ends, delivering seams that have the carpet backings flush with one another, without gaps or overlays, providing a professional, finished look.

Performance. Quality. Pride.
