

# Linear Fluorescent, Compact Fluorescent and HID Electronic Ballast Limited Warranty

**Applies to Current traditional ballasts purchased directly from Current between August 1, 2016 and the date on which this Limited Warranty document is later superseded.**

Current Lighting Solutions, LLC d/b/a GE Current, a Daintree company ("Current"), is pleased to provide the following limited warranty covering Current linear fluorescent, compact fluorescent and HID Electronic ballasts purchased directly from Current from May 26, 2015, until this Limited Warranty document is later superseded. Current warrants that these ballasts comply with Current's published specifications and are free from defects in materials and workmanship for the period of time set forth below.

**Remedy:** If a Current linear fluorescent, compact fluorescent, or HID electronic ballast fails due to defects in materials or workmanship within either (i) five (5) years after the date of manufacture in applications where the maximum case temperature is <70° C, or (ii) three (3) years after the date of manufacture in applications where the maximum case temperature is between 70° C and 90° C, then Current will, at its option, either (1) provide a credit to Purchaser equal to the current price Current charges Purchaser for the ballast, or (2) provide a free replacement ballast to Purchaser. This warranty applies only to Current linear fluorescent, compact fluorescent, and HID electronic ballasts that have been properly wired and installed and operated within the electrical values shown on the ballast label.

**Terms & Conditions:** This warranty is VOID in applications where the case temperature is >90° C. The foregoing ballast warranty applies only to direct purchases from Current and to ballasts operated in lighting equipment designed and approved for the application and in environmental conditions (temperature, humidity and air movement) within the normal specified operating range of the system, but does not apply to failures caused by acts of God or as a result of any improper storage or installation, abuse, misuse, abnormal use, or use in violation of any applicable recommendations of Current or any standard, code or instructions for use in installations, including, but not limited to, those contained in the National Electrical Code, the Standards for Safety of Underwriters Laboratory, Inc., Standards for the International Electrotechnical Commission, Standards for the American National Standards Institute or, in Canada, the Canadian Standards Association. Current reserves and has the right to examine failed ballasts to determine the cause of failure and patterns of usage. Any replacement Product will be comparable in function, but may not be identical to the original. The replacement Product is warranted for the remainder of the original warranty period. Current is not responsible for any labor or other costs associated with removal or reinstallation.

THE FOREGOING WARRANTIES CONSTITUTE THE SOLE AND EXCLUSIVE REMEDIES OF PURCHASER AND THE SOLE LIABILITY OF CURRENT FOR CLAIMS BASED ON DEFECT IN OR FAILURE OF PRODUCTS, WHETHER THE CLAIM IS IN CONTRACT, INDEMNITY, WARRANTY, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY OR OTHERWISE. THESE WARRANTIES ARE EXCLUSIVE AND IN LIEU OF ALL OTHER WARRANTIES, WHETHER WRITTEN, ORAL, IMPLIED OR STATUTORY. NO WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE IS MADE OR IS TO BE IMPLIED. IN NO EVENT SHALL CURRENT BE LIABLE FOR ANY OTHER COSTS OR DAMAGES INCLUDING LOST PROFITS, INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES.

**To Make a Warranty Claim:** To make a warranty claim, retain the failed products and notify your Current sales representative in writing within thirty (30) days of the failure. This warranty extends only to Purchaser. However, Current will honor, under the terms of this Limited Warranty, valid warranty claims made by Purchaser for the remedy set forth above as a result of warranty claims made.
