

TENUTA SETTE CIELI

2020 INDACO IGT TOSCANA

WINERY

Located 1,300 feet above sea level on the Tuscan coast, between Bolgheri and Castagneto Carducci, Tenuta Sette Cielis spans 210 acres overlooking terraced vineyards and the Tyrrhenian Sea, surrounded by the forests of Monteverdi Marittimo. Seventeen acres are planted to Cabernet Sauvignon, Cabernet Franc, Merlot, and Malbec in high-density vineyards, all farmed organically with meticulous, hands-on care. In the cellar, the winery practices single-variety vinification, beginning with wild yeast fermentation and selecting final blends only after aging in French oak barrels.

WINE

Indaco (in-da-ko) is Italian for “Indigo.” It is often the color of the sky at sunset at Tenuta Sette Cielis. Indaco is one of the very few examples of Malbec dominant wines in Tuscany.

VINEYARDS

Hillside vineyards, located atop a hill at 1,300 feet above sea level, are surrounded by the lush woods of Monteverdi Marittimo between Bolgheri and Castagneto Carducci overlooking the Mediterranean Sea.

VINTAGE NOTES

2020 began with a mild, rainy winter. March brought very low temperatures, though without causing any frost damage. Spring was generally warm with sufficient rainfall, leading to healthy vegetative growth in the plants. The first half of June brought rain, building up water reserves for the hot, dry period that followed. September’s hot, breezy conditions accelerated the ripening of the Merlot grapes. Late September through early October saw significant rainfall (220 mm), coinciding with the final ripening stage of the Cabernet grapes. This led to cooler temperatures, creating ideal conditions for grape maturation.

WINEMAKING

Cold with dry ice for a couple of days. In stainless steel tanks at controlled temperatures; with indigenous yeast; 100% malolactic.

TASTING NOTES

Malbec, Cabernet and Merlot come together perfectly in this stimulating, complex and structured wine, better expressing the complex and rich terroir with spicy and red-fruit aromas. Freshness, structure, persistence — this is a wine that preserves unchanged traits of the original season and terroir, intensified by 12 months in French oak.

VINEYARD

Region:	Tuscany
Appellation:	Toscana IGT
Soil:	Medium textured with a high presence of clay, limestone and stones
Age/Exposure:	Planted in 2001, 2002 & 2016 East & South East
Elevation:	400 feet above sea level
Vine Density:	3,760 vines/acre
Eco-Practices:	Sustainable; Organic

WINEMAKING

Varietals:	34% Malbec, 33% Cabernet Sauvignon, 33% Merlot
Aging:	12 months in French Oak with an additional 36 months in bottle

TECHNICAL DETAILS

Yeast:	Indigenous
Alcohol:	14.5%
Residual Sugar:	1.73 g/L
Total Acidity:	5.48 g/L
pH:	3.5
