

# HBC4 Yoke Mount Kit

ACCESSORY FOR HBC4

## Product Description

This yoke mount enables adjustable installation of the fixture, featuring 100° total tilt (±50°) and keyhole design for easy mounting.

### Construction

- Cold-rolled sheet
- Black/White Matte finish

### Installation

- Attach yoke to fixture with provided hardware
- Locate stable structure to hang fixture.
- Mark mounting holes from yoke and install properly rated installation hardware.
- Insert installation hardware through keyholes of yoke and secure.
- Reposition yoke screws to adjust fixture 50° in either direction.

### Warranty

- 1-year warranty standard
