Residential Track Pack

Product Description

The NICOR Track Lighting pack includes a white four-foot linear track piece and three white 75W step cylinder adjustable track lights with black baffles. NICOR's Track Lighting Kits allow you to create the perfect lighting scheme in your home or office. Each kit includes everything you need: the track rail, track heads, end feed, and mounting hardware. The NICOR Track Lighting Kits provide stylish and modern design aesthetics to spruce up and brighten any room in your home.

Construction

- Steel housing routes heat away from electrical components
- Includes One 4' Track Rail and Three Adjustable Track Heads

Optical System

- Lamps not included

Electrical

- Input 120 VAC
- Equipped with Triple Contact Points to Ensure a Stable, Error Free Connection

Mounting and Installation

- Interchangeable with All NICOR Track Lighting Fixtures, Rails, and Accessories to Create Stunning Directional Lighting

Listings

- UL Certified

Warranty

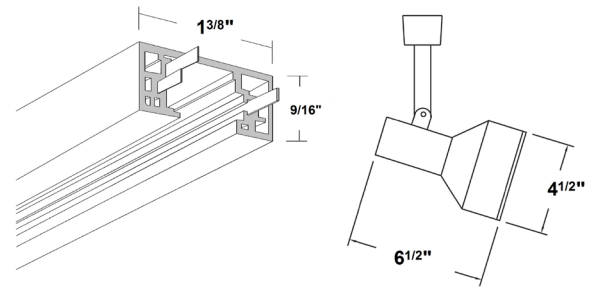

- 5-year limited system warranty
- Warranty does not cover product failure due to an overvoltage event (power surge). For installations where power surge may be possible, NICOR recommends installing additional surge protection at the electrical distribution panel
