

# DLRv6-TRIM

Color Trim Accessory for DLRv6

## Product Description

The DLRv6 color trim accessory gives an additional decorative element to the DLR4 or DLR56 recessed downlights. They are manufactured of heavy gauge steel and post painted/plated. The simple magnetic system securely attaches the trim on to the face of the DLR fixture creating a seamless colored appearance.

### Construction

- Stamped steel
- Three magnetic attachment points
- Available in 4" and 5" / 6" sizes

### Finish

- Oil Rubbed Bronze powder coat
- Brushed Nickel plating
- Black powder coat (available in smooth and baffle)

### Installation

- Align to face of fixture to secure
- Designed for DLRv6 Recessed Downlights
