

MUNIQUE

Designed with a tulip shape appropriate for a wide range of craft and premium beers, Munique is a great investment for any establishment seeking to upgrade their beer service. Its tall stem increases the perceived value of beers, supporting your bottom line with every pint. Munique's bulb-like bowl allows your guests to generously swirl their beer, releasing the full aromas of your craft offerings. Designed to trap and maintain the foam head, the shape helps enhance the flavor and aromatics of hoppy and malty brews.
