

2022 LA ROCHELLE

WINERY

Located in the southernmost tip of the Burgundy region, Moulin-à-Vent was one of the first appellations established in 1924 and later awarded AOC status in 1936. Château du Moulin-à-Vent, named for the 300-year-old stone windmill atop the hill of Les Thorins, dates back to 1732, when it was called Château des Thorins. Today, the estate encompasses 37 hectares (91.4 acres) of the appellation's finest climats, planted to Gamay Noir averaging 40 years in age. Since 2009, under the new ownership of the Parinet family, investment in the winemaking facilities and the vineyards has resulted in plot-specific signature wines expressing the individual characteristics of each exceptional terroir.

WINE

These wines are crafted in the traditional style of the region, without utilizing carbonic maceration. They offer a level of structure and complexity that is on par with the wines from Côte de Nuits or Northern Rhône.

VINEYARDS

'La Rochelle" is sourced from arguably the top single vineyard in the appellation. It sits at 280m in altitude with vines that are over 80 years old. The low-yielding vines create intensely concentated wines that have serious ageing potential.

VINTAGE NOTES

Very good & sunny vintage. A cold winter with late frosts led to a delayed budburst in April. The month of May broke records with low rainfall and high temperatures, causing rapid vine development and early flowering. June rains provided relief, but July brought heat waves and extreme dryness. Despite these challenges, vineyard health remained optimal. Harvest was early, in August, and long due to the heterogeneity of maturity of the terroirs.

Vines showed resilience to water stress. High temperatures concentrated juices, resulting in good phenolic ripeness and balanced acidity. The final wines are complex and powerful, yet full-bodied and round rather than heavy.

WINEMAKING

Traditional vinification without sulphites: one pumping over per day and a punching down during fermentation to release extra juice (and get a homogeneous pumping over.) Low fermentation temperatures (max 25°C) and average whole bunch rate of 60%. Total duration, from 15 to 18 days.

TASTING NOTES

The 2022 La Rochelle offers an exquisite sensory experience. Its bouquet is a harmonious blend of aromatic sage and fresh herbs, complemented by intriguing hints of flint that add depth and complexity. On the palate, this wine reveals itself to be both intricate and captivating, with a structure characterized by supple tannins that provide a smooth, velvety mouthfeel.

VINEYARD

Region: Bourgogne

Appellation: Moulin-à-Vent, AOP

Soil: Granite soil - rich in iron oxide and manganese

Age/Exposure: 80+ year-old vines

Southern exposure

Vine Density: From 10,000 - 12,500 vines/hectare

Eco-Practices: Sustainable; Currently undergoing Organic Conversion

WINEMAKING

Varietals: 100% Gamay Noir

Aging: 9 months in 50% French oak, (no new),

then 9 months in 50% stainless steel tank

TECHNICAL DETAILS

Alcohol: 13%
