We take great care and pride in designing the beautiful textiles we bring to market. Helping consumers maintain the rich, colorful look of our fabrics is a natural extension of the dedication that goes into our line each season. Life happens, and Flak Jacket performance finish helps ensure fabrics continue looking new over their lifetime. Fabrics treated with Flak Jacket finish have excellent resistance to oil and water based stains, superb repellency to all liquids, and enhanced abrasion resistance—all while maintaining their original luxurious color and feel. Flak Jacket finish makes cleaning up after mishaps and spills easy, and it eliminates the stress of everyday living by providing multiple layers of protection. Live without worrying about your upholstery fabrics by protecting them with Flak Jacket performance finish.

Cleaning code: W Blot excess liquids. Spot clean with a mix of warm water and mild detergent. Lightly brush as needed with a soft bristle brush in a circular motion towards the center of the stain. Rinse thoroughly to remove all soap residue.

To prevent overall soiling, frequently vacuuming or lightly brushing with a non-metallic, stiff bristle brush to remove dust and grime is recommended. When cleaning a spill, blot immediately to remove spilled liquids. Clean spots or stains from the outside to the middle of the affected area to prevent circling. Pretest a small, inconspicuous area before proceeding. Fabrics with a nap or pile may require brushing with a non-metallic, stiff bristle brush to restore appearance.
