PRODUCT INFO

The QEP® Xtreme™ 4-3/8" Rough Surfaces Suction Cup delivers secure hold on rough, textured surfaces with a simple one-hand grip and release. The stain-free 4-3/8" non-marring rubber pad is engineered to adhere to non-smooth materials—including textured tile, glass, marble, granite, and rough ceramic—using a flexible concentric-lip design that seals effectively on uneven, non-porous surfaces.

Professional Tools. Professional Results.
