PERFORMANCE FABRICS

Revolution Performance Fabrics® are true performance fabrics made in the USA. The fabrics are virtually unstainable, yet have absolutely no chemical stain treatment applied. To clean: blot the stain with a clean cloth, apply any household cleaning solution (even bleach), thoroughly rinse and blot with water, and allow the fabric to air dry.

Stain resistant for life

No chemicals applied, NO PFC's

Easy to clean and bleach safe

Resists fading in sunlight

Made with upcycled fibers

Smallest carbon footprint

Exceptional durability

100% Made in USA
