

Lumination® Decaux Max

LED Downlight Goofring

BEFORE YOU BEGIN

Read these instructions completely and carefully.

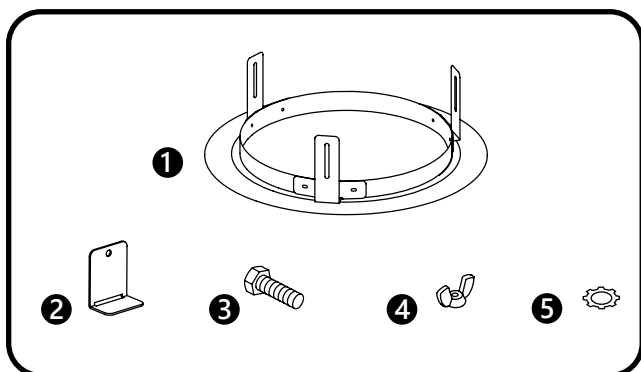

Save These Instructions

Use only in the manner intended by the manufacturer. If you have any questions, contact the manufacturer.

Compatibility

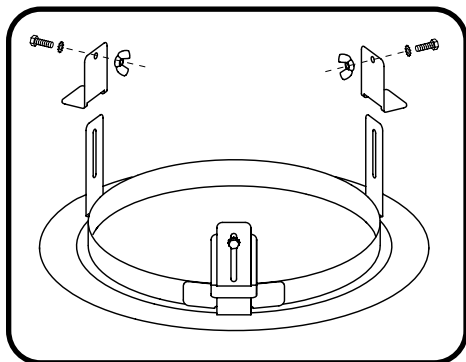

- Compatible with RC10 type fixtures.
- Hole diameter size must be between 11.7–12.3 in.

Components

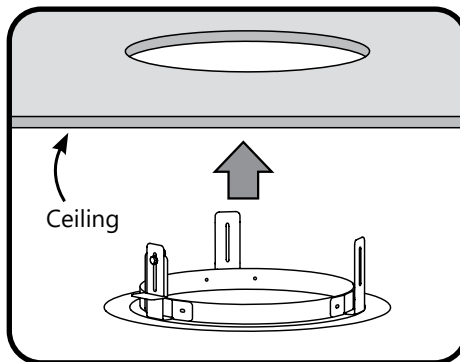

Item	Description	Qty.
1	Adapter	1
2	L-bracket	3
3	Bolt	3
4	Wingnut	3
5	Star washer	3

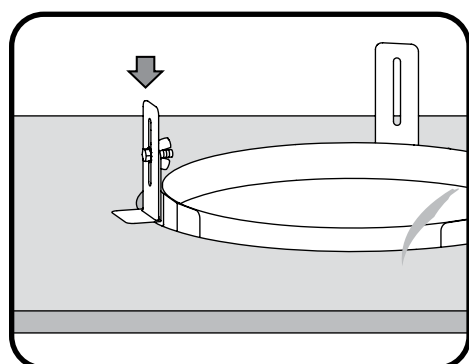

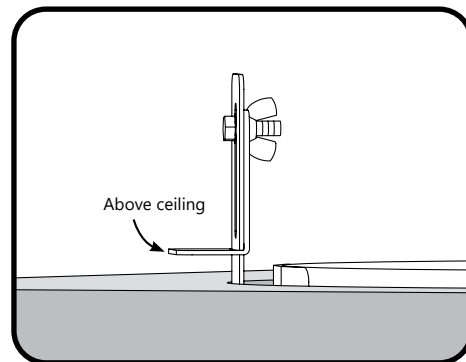

Unit Installation

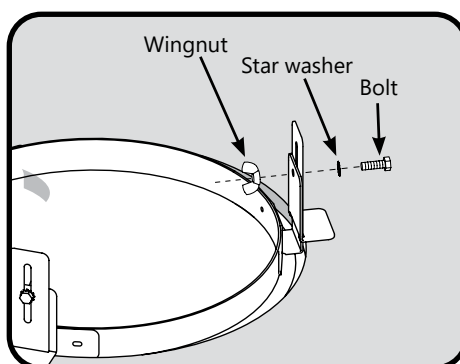

- ① Remove 2 L-brackets.

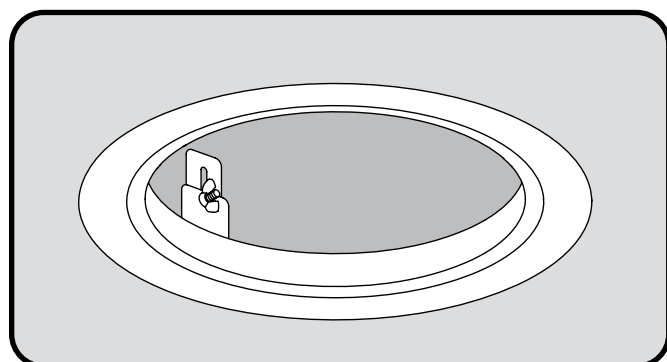

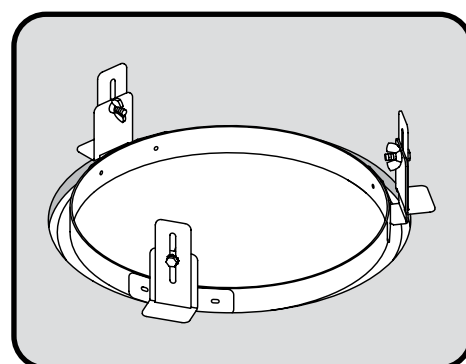

- ② Loosen remaining L-bracket and insert the adapter in the hole.
NOTE: Make sure the L-bracket is on top of the ceiling.

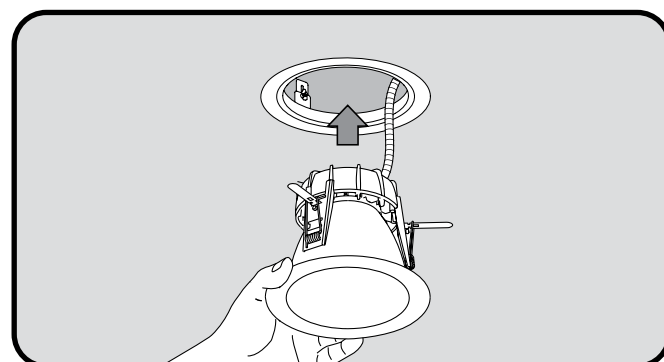

- ③ Lower the L-bracket and tighten the wingnut firmly.

- ④ Install the remaining L-brackets and ensure all wingnuts are tightened.

- ⑤ Make sure there is no gap between the adaptor and that the adaptor is well centered.

- ⑥ See RC10 manual for luminaire installation instructions.

Conservez ces instructions

N'utilisez que de la manière prévue par fabricant. Si vous avez des questions, contactez le fabricant.

Compatibilité

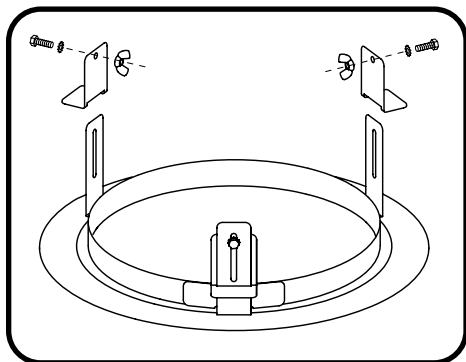

- Compatible avec les appareils du type RC10.
- Le diamètre du trou doit être entre 11,7 et 12,3 po (297 et 312 mm).

Composants

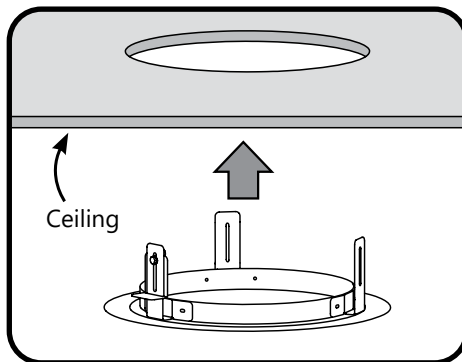

Poste	Description	Qté.
1	Adaptateur	1
2	Support en "L"	3
3	Vis	3
4	Écrou papillon	3
5	Rondelle étoile	3

Installation de l'adaptateur

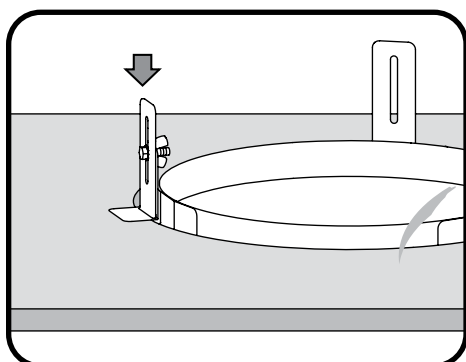

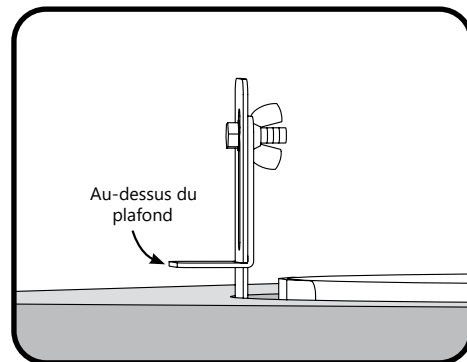

① Enlever les deux supports en "L"

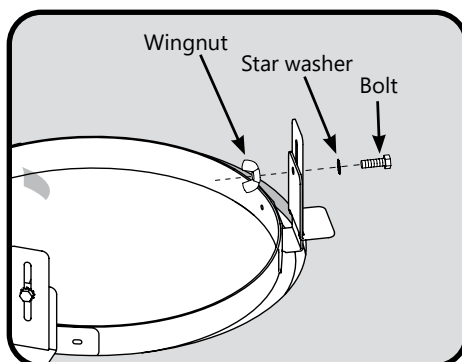

② Desserrez le support en "L" restant et insérez l'adaptateur dans le trou.

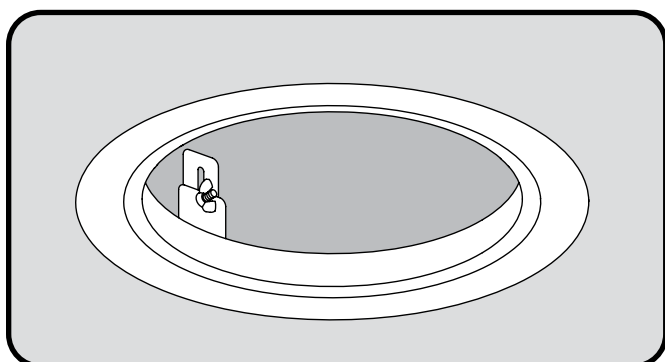

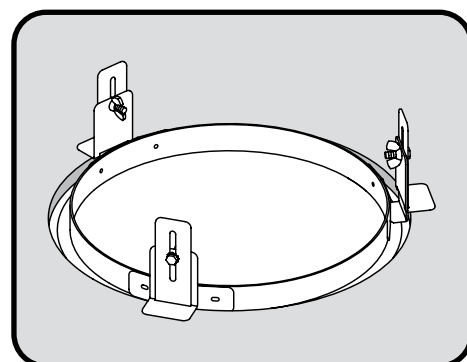

REMARQUE: Assurez-vous que le support en "L" se trouve au-dessus du plafond.

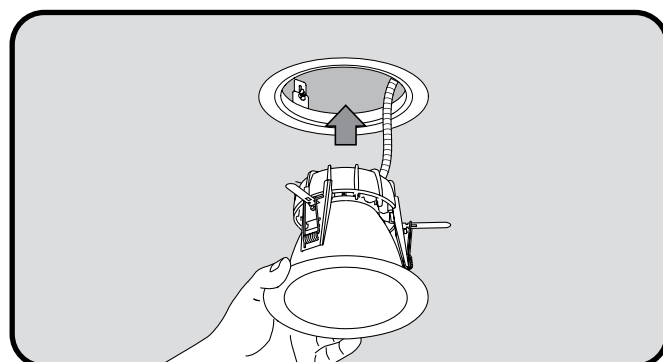

③ Abaissez les supports en "L" et serrez fermement les écrous papillons.

④ Installez les supports en "L" restants et assurez-vous que les écrous papillons soient bien serrés.

⑤ Assurez-vous qu'il n'y a pas de jeu entre l'adaptateur et que celui-ci est bien centré.

⑥ Voir le manuel RC10 pour les instructions d'installation du luminaire.
