

SONANCE

SURROUND SOUND SUBWOOFER MS8SUB

Overview

The Sonance MS8SUB is built to deliver powerful, accurate, low-distortion, bass to any room. The subwoofer features an ultra-long throw driver that deepens the bass notes for a more defined sound. The MS8SUB is the perfect solution to immerse your space with breathtaking bass.

MS8SUB

Freestanding Subwoofer
MSRP \$500 ea
SKU 93827

Key Features

Aesthetics

- Elegant, sleek appearance with a minimal footprint designed to reduce the visual impact in the room
- All black cabinet with a textured finish and black cloth grille

Performance

- Developed using cutting edge design and computer modeling software
- Features a high excursion driver for tight well-defined bass response
- The built-in amplifier provides 100 watts of power with extremely high efficiency that delivers chest pounding bass

Installation

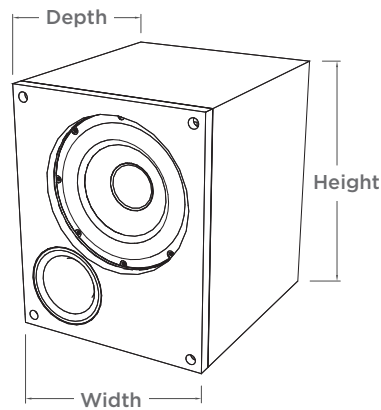

- The subwoofer's rear-mounted controls provide easy access and the flexibility to adjust the subwoofer as needed
- Cabinet dimensions have been kept to a minimum allowing you to place the subwoofer almost anywhere
- The optional Sonance wireless transmitter/receiver kit (part #93451) makes it easy to connect the MS8SUB to your system (sold separately)
