 1 doz./3# • .65 cu. ft.
SCC L723147

Prolonged exposure to sunscreens at elevated temperatures can cause a cloudy layer to form on the surface of the plasticware. Citrus drinks not recommended as high acidity may damage the product. Dishwasher safe, not recommended for use in microwave

Features & Benefits

- 13-ounce premium plastic Belgian beer glass serves up craft brews in style, from traditional Belgians to high-ABV variations
- Inward tapering top captures aromas to enhance the beer-tasting experience
- Can also be used to craft creative cocktails to maximize usability and end-user investment
- 100% BPA-free Tritan™ copolyester is engineered to maintain glass-like brilliance even after extensive usage in demanding environments
- Industry-leading resistance to virtually all stains and odors, keeping beverages tasting fresh
- Dishwasher durable: Maintains “like new” appearance even after hundreds of cycles
- Temperature resilience: Withstands extreme temperatures from boiling to freezing
- Tough, impact- and shatter-resistant Infinium outperformed all other materials in outside testing, making it a top choice for durability
- Additional items available in a variety of classic cocktail and beer shapes
