

DOMAINES LEFLAIVE

2024 MÂCON-VERZÉ “LE MONTÉ”

WINERY

Domaines Leflaive represents an extension of Domaine Leflaive in the Mâconnais region to explore the family's extensive vineyard holdings which are either owned or leased long term through the family's close knit relationships in the region. The vineyards are all certified Organic and Biodynamic, and the family directly handles all work in the vineyards, harvest, as well as the wines vinification in the Domains cellar in Puligny-Montrachet.

WINE

A bit more robust and generous, there is great raw material for some aging potential as well as the inviting nature of more immediate enjoyment. From a plot owned for nearly 20 years and just shy of 1 hectare, this single-vineyard site offers much to appreciate.

VINEYARDS

Clay-limestone terroir with a high proportion of flint, characteristic of this locality. Surface area: 0.94 ha located above the hamlet of Escolles, on the plateau overlooking the Verzé valley. The lieu-dit “le monté” consists of a gently sloping parcel facing south-west.

VINTAGE NOTES

Working with nature involves accepting its challenges, and 2024 was demanding. From January to October, rainfall was one and a half times the usual, significantly higher than the previous two years combined. A mild winter led to a cool, damp spring with minor hail that reduced fruit set and increased downy mildew pressure. Summer was mild, and slow ripening continued into a cool, stormy September. Harvest began in September, yielding about half of 2023's amount, but the remaining grapes are healthy and promise freshness, precision, and balance.

WINEMAKING

Harvesting is entirely manual, and pressing is carried out in Verzé. After decanting, the musts are transported daily to Puligny Montrachet for fermentation and aging.

Long, gentle pneumatic pressing, 24-hour decanting followed by settling. Vinification takes place in 87% in cement vats and 13% in new French oak barrels.

TASTING NOTES

“A taut, vibrant white, this offers notes of lemon, white flowers and green apple, with a hint of mint. Defined by its vivid acidity, this remains focused and persistent through the lemony finish.”

— Bruce Sanderson

VINEYARD

Region: Bourgogne
Sub-Region: Mâconnais
Appellation: Mâcon-Verzé, AOP
Lieu-dit: Le Monté
Plot: 0.94 ha

Soil: Calcareous clay rich in flint
Age/Exposure: Planted in 1962, 1964, 1974, 1979, 1989
Southwest exposure
Altitude: 235m
Certifications: Organic - Ecocert 1992;
Biodynamic - Biodyvin 1998

WINEMAKING

Varietals: 100% Chardonnay
Aging: 10 months aging on lees in fermentation containers, then racked into stainless steel tanks and aged on fine lees for 6 months

TECHNICAL DETAILS

Alcohol: 12.5%
