

ELENA WALCH

2025 LAGREIN, ALTO ADIGE DOC

WINERY

Elena Walch is a 5-generation family-run estate in Alto Adige, a region in the North-East part of Italy that led the wine quality revolution in the area and has gained a prominent international reputation. The philosophy of the estate is dedicated to its terroir – the idea that wines must be the individual expression of their soil, climate and cultivation in the vineyard – and that this must be maintained according to principles of sustainability and passed on to the next generation. The firm belief that the quality of wine is created in the vineyard requires uncompromising work, taking into account the individuality of each vineyard. With 90 hectares in cultivation, including the two top vineyards VIGNA Castel Ringberg in Caldaro und VIGNA Kastelaz in Tramin, Elena Walch belongs to the most important protagonists of Alto Adige winemaking.

WINE

A mainstay variety in Northern Italy, Lagrein thrives in the sunny vineyards of Alto Adige. Known for its deep color and full body, this wine showcases the best aspects of the variety due to the careful cultivation among the slopes of the estate, and the harvest employed by Elena Walch.

VINEYARDS

Sites with warmer temperatures, located on limestone soils mixed with clay and sand on both sides of the ridge, facing both southeast and southwest. Strict selection is applied.

VINTAGE NOTES

The 2025 harvest began early on August 27th and concluded just over a month later. After relatively early flowering, a warm and dry June was followed by a markedly cooler July, which played an important role in preserving the natural freshness and acidity of the grapes. August provided ideal ripening conditions, and despite a September alternating between sunshine and occasional rainfall towards the end of harvest, the grapes reached our cellar in excellent health and optimum balance. We look ahead with optimism and confidence to the exceptional quality of this year's vintage.

WINEMAKING

The fermentation process is controlled at a traditional temperature for around 10 days in stainless steel tanks. This is followed by malolactic fermentation in French and Slavonian oak barrels of 70 and 22hl sizes. The maturation process then takes place in large wooden barrels.

TASTING NOTES

Our Lagrein Elena Walch shines with an intense, dense garnet-red hue. The bouquet is complex and inviting, revealing subtle spice, cocoa, and notes of wild berries and sweet cherry. On the palate, a firm tannin structure meets smooth richness, combining rustic elegance with youthful freshness and a long, juicy finish.

VINEYARD

Region:	Italy
Appellation:	Alto Adige DOC
Soil:	Limestone soils mixed with clay and sand
Exposure:	Southeast-Southwest
Eco-Practices:	Sustainable

WINEMAKING

Varietals:	100% Lagrein - estate sourced
Aging:	10 days in stainless steel tanks, then maturation in large wooden barrels

TECHNICAL DETAILS

Alcohol:	13%
Residual Sugar:	3.1 g/L
Total Acidity:	4.9 g/L
