

TENUTA SETTE CIELI

2019 SCIPIO IGT TOSCANA

WINERY

Bolgheri and Castagneto Carducci, on the Tuscan coast 1,300 feet above sea level. The 210-acre estate overlooks terraced vineyards and the Tyrrhenian Sea, and is surrounded by the lush woods of Monteverdi Marittimo. Seventeen acres of high-density vineyards are planted to Cabernet Sauvignon, Cabernet Franc, Merlot and Malbec. Because of Tenuta Sette Cielis's respect for nature, the winery has chosen organic practices to safeguard the environment. Everything is done by hand in the vineyards, with careful attention to each detail. The journey continues in the cellar where the winery employs single-variety vinification. Fermentation starts with wild yeasts, and the final selection of the wines is done only after a period of barrel aging in French oak barrels.

WINE

Scipio (skeep-e-oh) was a famous Roman military general and statesman who defeated Hannibal at the final battle of the Second Punic War in 202 BC. This wine is made of 100% Cabernet Franc and only in the best vintages.

VINEYARDS

Hillside vineyards, located atop a hill at 1,300 feet above sea level, are surrounded by the lush woods of Monteverdi Marittimo between Bolgheri and Castagneto Carducci overlooking the Mediterranean Sea.

VINTAGE NOTES

The 2019 vintage experienced fluctuating weather conditions, alternating between periods of cold, rain, drought, and heat. April and May were particularly rainy, while June was dry with temperatures above average. The dry spell ended towards late July with three instances of rainfall, which brought the temperature back to the seasonal norm. During the harvest period, from September 12 to October 10, lower temperatures were recorded, helping to maintain freshness and aromatic complexity.

WINEMAKING

Cold with dry ice for a couple of days. In stainless-steel tanks at controlled temperatures; with indigenous yeast; 100% malolactic.

TASTING NOTES

A rich, deep and complex wine that interprets what was a particularly warm and sunny year. The taste reveals a great balance due to a high natural acidity that gives a pleasant freshness and firmness.

VINEYARD

Region:	Tuscany
Appellation:	Toscana IGT
Soil:	Medium textured with a high presence of clay, limestone and stones
Age/Exposure:	Planted 2001-2002 East-Southeast
Vine Density:	3,760 vines/acre
Eco-Practices:	Sustainable; Organic

WINEMAKING

Varietals:	100% Cabernet Franc
Aging:	14 months in French oak (40% New Oak)

TECHNICAL DETAILS

Yeast:	Indigenous
Alcohol:	14.5%
Residual Sugar:	1.38 g/L
Total Acidity:	4.95 g/L
pH:	3.62
