[Fresco] USB Display Adapter

Installation for Windows

Install Guide

Windows 10

Note: The on-device drivers are not compatible with Windows 10. Please use only the steps below to install this device on Windows 10.

To install the driver:

1. Right-click the zip folder that you downloaded, click **Extract All**, and complete the instructions.
2. Right-click **Setup.exe**.
3. Click **Run as Administrator**.

Note: If the **Run as Administrator** option is not available, you might be trying to run the installer from within the zipped file. Complete the instructions in step 2 to extract the files.

4. Complete the instructions to install the device drivers, and restart your computer when prompted to.
5. After your computer restarts, connect the USB video adapter to your computer.
6. Your computer automatically finishes installing the driver and your device should be ready to use.
