---

This guide contains installation instructions for the following operating systems:

1. [Windows](#)

# [Broadcom 20702] USB Blue

## tooth Adapter Installation

### Install Guide

The drivers for this device are native to your version of Windows. Connect your Bluetooth device to your computer and Windows will automatically install the drivers.

If the drivers do not automatically install, or your device does not function as it should, you can install the latest drivers from StarTech.com. To do so, refer to the following FAQ: [www.startech.com/faq/bluetooth-adapters-install-windows-78](http://www.startech.com/faq/bluetooth-adapters-install-windows-78).

Visit [www.startech.com/support](http://www.startech.com/support) for additional FAQs, videos and more!
